

The Chairman of the Culture, Heritage and Libraries Committee,
Goretti Considine and the Staff of the City Business Library

invite you to

the “Speaker’s Corner” networking evening

at the City Business Library

On Wednesday 2nd November 2011

6—8pm

This invitation only event provides an opportunity for the City Business Library to thank our speakers for presenting a successful programme of seminars at the Library over the past couple of years. It’s also a chance to network with other speakers, the staff of the City Business Library, and other organisations who may require speakers in the future.

Also, you will be able to meet [The Centre for the Study of Financial Innovation](#) (CSFI) who are working with the City of London Corporation to produce the Academic Expert Directory. The AED will be an open access website, where experts in fields related to financial services and the City can register their areas of expertise/interest in providing different range of services and advice. People looking for an expert in a particular field/ interested in using their services can then use the website to run initial searches and initiate contact.

We need to know how many glasses to wash in readiness, so please RSVP by Friday 28th October to: cbl@cityoflondon.gov.uk
