Mango Vision Statement

“Mango has set out on a journey to become the preferred Logistics Solution Provider for businesses that require exceptional service & support to achieve their mission.

We will achieve this aim by developing a significant presence that offers the same high quality service and results regardless of your location, we want to be every place where businesses require the very best logistics support.

Mango will empower it's people to achieve sustainable results, with training and customer service at the centre of the journey.

We will tirelessly invest our time experience and belief in our people and clients. We aim to become the business of choice for exceptional logistic solutions, the business people ask for.”

It's all about our Clients...

Mango Mission Statement

“Moving anything, safely, storing anything securely.”

It's how we act...

Mango Core Values

Work in balance - At Mango we understand that our job requires us to work long hours. More important than how long we work is the quality of our work, it's that quality that sets us apart.

It's how we act...

Mango Core Values

Harmony - We value harmony but never put it over making sometimes difficult decisions and we don't shy away from occasional ideological conflict. But, we do promote respect and empathy in all of our dealings, even in difficult times.

It's how we act...

Mango Core Values

Hard work - We believe success can always be traced back to hard work, for that reason we work hard for our customers and colleagues, our hard work is teamed with working smart too. Smarter not harder is our motto.

It's how we act...

Mango Core Values

Commitment - We value commitment, encourage commitment and actively promote a culture of commitment so that each and every customer and colleague can experience the benefits of our high levels of quality and service.

It's how we act...

Mango Core Values

Energy - Working smart means our staff don't burn out. Hard working yes, full of commitment yes and never lacking in energy, nothing we can do is ever too much trouble where our customers and colleagues are concerned.

It's how we act...

Mango Core Values

Passion - Our service levels and commitment to providing the right solution at the right time for our customers comes from our deep seated passion for providing truly exceptional logistics matched to our exceptional clients.

It's how we act...

Mango Core Values

Achievement - We understand that everyone likes to know they've done a great job and that it's the achievement of a great job for our customers and colleagues that motivates and inspires us to raise the bar time and again.

It's how we act...

Mango Core Values

Responsibility & Fairness - We will, as a company and as individuals take responsibility for our actions. As a company and as individuals we will deal fairly and honestly with our customers, suppliers, the public and each other.

It's how we act...

Mango Core Values

Working with the environment - We understand that business is part of life and helps to sustain us all, that will not prevent us from taking all the steps we can in our day to day actions to limit the adverse effect we may have on the environment. We know being a carbon neutral business is not enough!
